Resumed games – rules of play

Please refer to Rule 2.3 of the Conditions of Play and the Laws of the Sport of Bowls – DR 2.1.3 & DR 2.4 for rules covering substitutes. A summary is included here.

- Games will resume from when they were abandoned with the same players in the same positions, using the same score card;
- Two trial ends are permitted;
- If a player is unavailable a substitute may be used;
- A substitute must not have played in any other game in any other side in Round 1 of the Thursday competition, even if that game had not been completed;
- A substitute must play in the same position as the player being substituted, except if it is the skip. If a substitute is required for a skip, then the other members must rearrange their positions as necessary (DR 2.4.5);
- Players must not be transferred from one team to another;
- Only one substitute is allowed in each team (rink) to another;

If a substitute is unavailable, the team will continue the game as if the second player is missing (refer Rule 2.4.2.2 & DR 2.6.2);
