## Club Secretaries 2025/2026 Conditions of Play

The versions of the Pennant Conditions of Play for Season 2025/2026 issued on Tuesday 9 September contained errors.

- **Side Limits for the Thursday competition.** A club will be limited to two sides in Premier Division and Division 1 combined (Rule 4.5).  
Note this amends the information in the "Restrictions" section of the memo on the Thursday competition restructure published on Tuesday.
- The number of ends to be played in the Wednesday Triples discipline **shown in the chart published on the back page** was incorrect. The number of ends to be played is 27 (Rule 4.3).

Note also that the A5 version of the Conditions of Play has been adjusted to place the chart on the back cover as previously.

Amended versions of the Pennant Conditions of Play for Season 2025/2026 (labelled as "FINAL 2") will be available soon on the MBA website [here](#).

**It is a requirement that copies of the Conditions of Play are provided to your Umpires and for a copy to be placed in with the Umpires equipment at your club.**

Club administrators are encouraged to organise a meeting for their club officials prior to the start of the Pennant season to review the relevant sections of the Conditions of Play and Laws of the Sport.
