Pennant Side Listings – All Competitions

The MBA has released **updated side listings** for all three competitions. Side Listings will be available on the MBA Web site [here](#). The Draw will become available in BowlsLink within a few days.

Since the issue of the Preliminary Side Listings there have been changes to the order of clubs in some Sections and a few movements of sides between Sections. These changes have been marked in red text.

Side numbering has been reordered as requested by clubs. These changes have been marked with yellow background shading. The time limit to accept requests for changes to side numbering **ONLY** has been extended to **Monday 29 September**. All side rankings for selection purposes (Rule 3.3) will be considered finalised at that time.

Clubs should check ALL their Sides on the latest Side Listings.

Wednesday Pennants

Reynella has added a side. **We currently have a Bye in Division 4.** If any club has additional players and wants to nominate an extra side into Wednesday Division 4, please contact MBA Match & Program committee as soon as possible.

Thursday Pennants

Kensington Marryatville has withdrawn a side. **We currently have a Bye in Division 2.** If any club has additional players and wants to nominate an extra side into Thursday Division 2, please contact MBA Match & Program committee as soon as possible.

Venue swaps

Once the Draw has been published, clubs that have individual requests for venue changes due to short-term issues should contact opposition clubs individually and inform MBA Match & Program committee of changes as soon as possible to allow for changes in BowlsLink.

Other venue changes required to satisfy items such as longer-term club issues and to accommodate Bowls SA requirements for the use of club greens and facilities will be included in the fixtures in BowlsLink.

If there are any questions regarding the above or further clarification required, please contact MBA Match & Program committee (MBAmatchcommittee@metrobowls.com.au)
