BowlsLink Fixtures – All Competitions

The MBA is pleased to release the Draw (fixtures lists) for all competitions in BowlsLink later today or tomorrow.

There may be minor adjustments made to the Draw in BowlsLink during the next 7 days. Clubs should confirm their playing schedule at that time.

Pennant Side Listings

The MBA will also release Version 1 of the Side Listings for all three competitions today.

Since the issue of the Preliminary Side Listings there have been changes to the placement of sides within Divisions. Sides have been added and others have been removed. These changes have been marked in red text.

Side numbering has been reordered as requested by clubs. These changes have been marked with yellow background shading.

Clubs that wish to swap side ranking numbers within a division will need to advise MBA Match & Program committee by email by **Wednesday 30 September**.

Side Listings will be available on the MBA Web site.

Wednesday Pennants

We currently have a Bye in Division 4. If any club has additional players and wants to nominate an additional side into Wednesday Division 4, please contact MBA Match & Program committee as soon as possible.

Venue swaps

Once the Draw has been published, clubs that have individual requests for venue changes due to short-term issues at their own facilities are asked to contact opposition clubs individually and to inform MBA Match & Program committee of changes as soon as possible. Other venue changes will be included in the published fixtures.

BowlsLink

Side administration

Club BowlsLink administrators should ensure that sides that require an entry manager (to enter players into BowlsLink each week etc.) who is not a player on that side have a manager assigned.

BowlsLink issues

Clubs experiencing difficulties with operating the competition parts of BowlsLink should contact the MBA, not Bowls SA. Issues involving the accuracy of competition information in BowlsLink should be directed to MBA Match & Program committee.

If there are any questions regarding the above or further clarification required, please contact MBA Match & Program committee
