Preliminary Pennant Side Listings for Season 2026/27

The MBA is pleased to release preliminary Pennant Side Listings for Season 2026/27. The Side Listings will also be available on the MBA web site [here](#).

Match & Program committee would like to finalise the Draw for the start of the season by **Friday 25 September** and publish a revised set of Pennant Side Listings soon after. Changes in circumstances passed on by clubs prior to that date will be accommodated into the Draw wherever possible. Further **requests for changes to the Draw after this time** may not be possible.

Where clubs have more than one side in a Division, the side number for each side in that Division will indicate their descending order of ability for selection purposes (Rule 3.3). Clubs that wish to swap ranking numbers for their sides within a Division will need to advise MBA Match & Program committee by email by **Friday 25 September**.

Fixtures will be available in BowlsLink once the Draw is finalised.

We recommend that clubs wait until the revised Side Listings are published before producing and distributing schedules to their members.

Venue swaps

Once the Draw has been published, clubs that have individual requests for venue changes due to short-term issues at their own facilities are asked to contact opposition clubs individually and to inform MBA Match & Program committee of changes as soon as possible. Other venue changes will be included in the published fixtures.

If there are any questions regarding the above or further clarification required, please contact MBA Match & Program committee (MBAmatchcommittee@metrobowls.com.au)
