Club Secretaries / Selectors / Side Managers

Pennant Side Listings

Since the issue of the Side Listings Version 1 there have been changes. Version 2 identifies changes to the position of side names within Divisions (marked with **red text**) and changes to side ranking order (marked with a lemon background).

Check entries in BowlsLink for recent changes.

Byes

Unfortunately, some sides have been withdrawn, leading to Byes in all 3 competitions. We currently have two Byes in Wednesday Division 4, a Bye in Thursday Division 2 and two Byes in Saturday Division 7.

If any club has additional players and wants to nominate an additional side for any of the Pennant competitions, please contact MBA Match & Program committee as soon as possible.

Venue changes

Clubs that have individual requests for venue changes due to short-term limits on access to their greens are asked to contact opposition clubs individually and inform MBA Match & Program committee as soon as arrangements are confirmed.

BowlsLink Side administration

BowlsLink administrators: Pennant sides require an entry manager for each side (to enter players into BowlsLink each week etc.). If the manager is not a player on that side, their name & status must be added to the side in BowlsLink to allow them access to manage the side.

The MBA has circulated a memo with instructions.

BowlsLink issues

Clubs experiencing difficulties with operating the competition parts of BowlsLink should contact the MBA, not Bowls SA.

Issues involving the accuracy of competition information in BowlsLink should be directed to MBA Match & Program committee.

If there are any questions regarding the above or further clarification required, please contact MBA Match & Program committee (MBAmatchcommittee@metrobowls.com.au)
